Dear Don:

Once again we are in the process of preparing the Project and POG Budget for the forthcoming Fiscal Year, 1963 (1 July 1962 - 30 June 1963). It is requested that budgetary estimates be submitted to cover the following anticipated procurements with your Company:

a. Contractor Technical Representatives, Project.

1. At two (2) overseas sites for a period of one (1) year.
2. At one (1) domestic site for a period of one (1) year with the assumption that stagings will require the services at overseas locations 1/3rd of the time.

The estimate should be in sufficient detail to reflect the quantity of personnel, the cost involved by a man-month rate and travel and per diem costs. Contract arrangements to be as they presently exist under Contracts Nos. ST-506 and ST-507.

b. Repair and Overhaul of Equipment, Project and POG. Furnish necessary facilities, materials and services to repair, overhaul and/or modify Project and POG equipment as it may be returned to the factory from time to time. Estimate should assume the same level and scope of operations as was experienced during FY-1962. Contract HF-TM-16.

c. Spare Parts, Test Equipment, Modification Kits, Etc., Project and POG. Furnish such supplies, equipments, components and/or kits as called for by the depot. Estimate should be prepared on the same basis as paragraph b., above. Contract No. HF-CT-692.

Receipt of the above information by 1 April 1962 would be appreciated. Original and five (5) copies of Contractor's estimates are requested.

Sincerely,

SIGNED
